"...I love a challenge and bringing things together so that teams deliver successfully making everyone involved proud."

October 2022

September 2022

Simon has extensive experience in strategic programme leadership and customer/supplier relationship management, with focus on consultative selling and championing improved outcomes across the public and private sectors.

As an ex-Royal Navy Captain and with his own business he is incredibly versatile and entrepreneurial in building partnerships, leading multidisciplinary teams or helping clients to deliver complex services and projects more efficiently and effectively.

He brings with him significant experience and leadership in:

- Policy/strategy making,
- Planning,
- Problem solving,
- Goal alignment and execution.

His experiences include directing and coordinating the strategic planning, governance and contract liaison for the UK Hydrographic and Meteorological Trading Fund Defence programmes, as well as help cofound a business and run his own consultancy business.

Simon is married with a grown-up family, and he enjoys keeping fit, skiing, golf, travel and fine dining.

He is also a proud member of the Royal British Legion and a Fellow of the Royal Meteorological Society.
